Jane Didona submitted extension to November 7, 2007 meeting.
JE said still working out language did not want to close hearing in case there is new information that needs to be submitted. Letter received from traffic engineer Mike Galante. AF read into record.
She then read into the record a statement that the document they had received by email yesterday was also reviewed by the applicant and his agent and at this time should be considered a Staff Report. Meting tomorrow with entire team to discuss the issues.

Mr. Urice made motion to continue Mr. Blaszka seconded the motion and it was passed unanimously.

There was nothing under Old Business or New Business.

Again announced that the matter was tabled anyone in favor of in opposition
