CALL TO ORDER

The Regular Board of Commissioners Meeting for DHA Corp was called to order at 5:54 p.m. at 84 West Wooster Street, Danbury, Connecticut. Upon motion by Jim Zeh and second by Mary Teicholz the meeting was called to order.

PUBLIC COMMENTS: Peter Green, resident of Crosby Manor, stated that he was late to the meeting and recording his comments for his personal record. He has a short story, 1994 first time started with DHA building, it was 98 Elm Street. Promised to live there for two year. He was evicted because the Department of Mental Health was to take it over. Also, other people were evicted. This was under the previous administration Bernie Fitzpatrick and D Rodriguez Burges, who are not employed by the City of Danbury anymore. Point he is making that they went behind their backs and evicted them and the people that did it are not working for the Danbury Housing Authority anymore.

BY: 

Put in a screen which a squirrel ate through it on March 4th to his manager, it is now 16 days and he has not received that screen. Sixteen days is enough time to put in a new screen frame and give it back.

Peter commented that he just got off the phone a couple of minutes ago with the Register of Voters, Danbury, Connecticut that today is 228 days not counting today and November 3rd he is making an announcement that he is going to run for office, either Mayor or Common Council. There is a law that Danbury passed as to minority party representation on the Common Council and he will seek legal advice to look into that law. He will probably have to get with a city attorney.

Peter was introduced to the new resident service coordinator, Dubra Vidmar, she is a very nice gal and she did assure him that she never worked for the KGB but she couldn't vouch for her sister. Happy April Fool's Day early.
