## Minutes of the February 22, 2010 Meeting

Commission members present: Leslie Ballard da Silva, Steven Landau, Patricia McCarthy, Regina Ofiero, Renee Paley-Bain

Commission members absent: Carol Elder, K.T. Shartouni

Others present: Jack Kozuchowski

Regina Ofiero called the meeting to order at 6:30 P.M. The minutes of the January 25, 2010 meeting were approved as written.

Regina then turned the meeting over to Jack for his update.

Jack distributed handouts:

1. A pie chart regarding Option 1 and Option 2 for the remaining unencumbered balance of the annual budget.
2. "Table of Pros and Cons Regarding Weed Harvesting at the Town Park Beach"
3. "Table of Pros and Cons Regarding Milfoil Weevil Introduction to Lake Kenosia"
4. "Recommendations"

After discussion of options, it was agreed that weevils will not be introduced at this time. A motion was made, seconded, and passed to conduct suction harvesting along the town beach area before the beginning of the season. In addition, residents with lakefront property will be notified of the scheduled date of the harvesting and the contractor's information. They may contact the contractor to arrange treatment of their area at their own expense, but the Kenosia Commission will offer no company recommendation and claims no responsibility for service received.

The meeting was adjourned at 7:30 p.m. The next meeting will be on Tuesday, March 30, 2010 at 5:30 p.m. Please let Regina know whether or not you will attend.

Respectfully submitted,

Leslie Ballard da Silva
