

LAKE KENOSIA COMMISSION

Minutes of the March 23, 2015 Meeting

Commission members present: Carol Elder, Sondra Grossi (arrived late), Patty McCarthy, Renee Paley-Bain, Mark Saumell, K.T. Shartouni

Commission members absent: Regina Ofiero

Others present: Ed Siergiej

Vice Chairperson K.T. Shartouni called the meeting to order at 5:35 p.m. The minutes of the February meeting were approved as written.

K.T. turned the meeting over to Ed, who gave us an update. The budget request was submitted, using the same figure as last year. The water testing was done in September, and Ed will try to get Tim Simpkins or George Benson to report on the results, maybe at the April meeting. It was determined that we need the city council to sign off on the DEEP application for the grass carp proposal before we can submit it, and Ed will prepare a letter for the next council meeting.

Ed enthusiastically reported on our latest project to plant grasses in the former beach area. Ed purchased flats, dirt and seed, and has them at the greenhouse on the Tarrywile property. A class from DHS helped fill the flats, and will help plant the seeds when the time is right. Ed has engaged the help of some Master Gardeners, who will help with a planting plan.

The next meeting will be Monday, April 27, 2015 at City Hall at 5:30 p.m. The meeting was adjourned at 6:25 p.m.

Respectfully submitted,

Carol Elder
Secretary
