

Danbury Historic Properties Commission

Minutes for October 15, 2010

5:00 in Room 3C

Meeting was called to order at 5:15.

In attendance: Jack Robbins, Noel MacCarry, Mary Saracino and Dennis Elpern, ex officio. September's meeting was an historical walking tour of City Center led by Bill Devlin. Laurie Weinstein, Jack Robbins, Todd Knapp, Noel MacCarry and several Westconn students participated. The minutes were accepted by a motion from Noel and a second from Mary. They were accepted unanimously.

The CLG application is in the hands of the state.

Restoration and funding of the murals – Todd will report at the next meeting.

New Danbury Projects to consider:

Laurie's students are working on an inventory necessary before choosing a next project

Plans to regulate changes to historic properties – state regulations can be adopted but that is difficult to do.

To create an historic district requires a 50% buy in by property owners

Village district requires zoning board approval and oversight

AAC (architectural oversight) exists through city center

Many projects are very expensive.

No old business

No new business

Adjournment: 6 PM Motion by Jack, second by Noel, passed unanimously.
