

**Danbury Commission for Persons With Disabilities
December 14, 2004 Minutes**

Attendees: John Gentile, John Gentile Jr., Robie Barile

Membership Issue: John spoke to Mike McLachlan about the membership issue. Mike said he would take care of those who wish to remain on the commission and need to be extended for another 3 years.

As of yet, we have not recruited any new members. Our goal for 2005 will be to increase our membership by any means. At the next meeting, we will brainstorm on ideas on how to increase our membership. We will discuss flyers and brochures for the commission, as well as writing a thank you for those who have served on the commission in the past year and had to leave us.

2004 Vote: This issue was brought up to have the volunteers at the voting booths to be aware that there are booths for disabled persons, and if they are unsure as to whether or not they can accommodate a disabled person, they should ask the person in charge of the voting place first. John spoke to registrar John Scazzafazza and he said he would handle the issue.

November Meeting: Robie and Carlene showed up for the meeting in November, but since there was not a bulletin posted, there was no meeting held.

Phone Log: There were a series of calls this month, mostly wrong numbers and ones that had to do with disability papers for filling out. The telephone log book was handed over to John Gentile.

Happy Holiday's: Happy holidays to all from the Danbury Commission for Persons with Disabilities!!!!

Next Meeting: January 11, 2005
