Dear Council Members:

Attached are applications and information concerning the Neighborhood Assistance Act Program. The Neighborhood Assistance Act Program provides State tax credits for businesses that contribute to community programs which have received both Danbury and State approvals.

In accordance with State regulations, I ask that you please schedule a public hearing and a special meeting to review and approve the applications from our community organizations to provide them access to these business contributions. This must occur by September 1, 1995 per State Statute.

Thank you for your prompt consideration of this item.
