Re: 221 Main Street, Danbury, Connecticut

Dear Members of the Common Council:

The undersigned represents Union Savings Bank of Danbury, owner of property located at 221 Main Street, Danbury, Connecticut. Union Savings Bank owns the adjoining properties known as The Galleria and The Danbury Hospital Physical Rehabilitation Facility.

The bank wishes to put a brick facing on on its building at 221 Main Street to make the face of the building similar to its other properties. The brick facing will extend approximately four inches beyond the present building and will require the City's permission to install on the street line. Therefore, Union Savings Bank respectfully requests the consent of the City to construct the new facade.

Very truly yours,

Thomas A. Frizzell

RE: COVER MATERIAL FOR LANDFILL

\*\*\*\*\*

Dear Mayor Eriquez:

As you are aware we annually bid cover material for our Landfill. This year is no different, however, the low bidder, A&G Construction, withdrew their bid after we had awarded the contract to them. This constitutes default and therefore, our Corporation Council has determined their bid bond check belongs to the City. In order to go to the next highest bidder the City will suffer a loss of revenue in the Landfill account due to the default by A&G. The bid bond check therefore should be deposited in the Landfill account to compensate the City for its loss. The attached letter from Kim Redenz, the Assistant Director of Finance, indicates that in order to have that account credited in the amount of the bid bond check the approval of the Common Council is necessary.

I respectfully request that you forward this letter to the Council and ask that the Council authorize us to take the check and place it in the Landfill account used to purchase fill and cover material. As always I will make myself available to you or the Council to discuss this matter in greater detail.

RE: Bid Bond Check A&G Construction

At the September 1, 1993 Board of Awards, it was agreed upon to accept the bid bond check from A&G since they defaulted on their bid. The motion was made to deposit this money into the Landfill fill account. I mentioned this to Dom, and he feels that this must go before the Council to have them reappropriate the funds into your line item for fill. Please place this item on the agenda for the next Council meeting. In the meantime, we will deposit these funds to a General Fund miscellaneous revenue account. Should the check not clear (i.e. they place a stop payment on it), I will let you know.

Should you have any questions, call me.
