COMMON COUNCIL

REPORT

April 18, 1991

Honorable Mayor Gene F. Eriquez  
Honorable Members of the Common Council

Re: Host Community Recycling Benefits

The Common Council Committee appointed to study host community recycling benefits met at 8:00 P.M. on April 9, 1991 in the Fourth Floor Lobby in City Hall. In attendance were committee members DaSilva, John Esposito and Scozzafava. Also in attendance were Corporation Counsel Eric Gottschalk and Superintendent of Public Utilities William Buckley.

Mr. Gottschalk and Mr. Buckley explained that because Danbury is the host community for regional recycling, the City has negotiated host community benefits with RTI, the vendor for recyclables. The benefits to Danbury are as follows:

- ° RTI agrees to provide roll off containers for all recyclables at the Recycling Drop-off Center at no cost.
- ° RTI will transport and process all recyclables from the Drop-off Center, up to 1650 tons per year at no cost.

They stated that they believe that this is an excellent deal for the City of Danbury. This contract will run concurrently with the RTI-HRRA Service Agreement which is for ten years with two five year options.

Mr. Scozzafava moved to recommend approval of the proposed contract between the City of Danbury and RTI providing host community benefits to the City of Danbury. Motion was seconded by John Esposito and passed unanimously.

Respectfully submitted,

  
JOSEPH DaSILVA, Chairman

  
JOHN ESPOSITO
