His Honor, the Mayor

Dear Sir,

Please accept my congratulations on your recent election. I am glad to see that we are once again a "Two Party Town" and wish you the best of success as our new Mayor.

Mr. Mark Massoud, who as you know is the Chairperson for Danbury's Environmental Impact Commission recently contacted me to advise that a position on this Committee is available. Considering my academic experience in the biology/ecology of water resource management and my concern regarding the balanced development of Danbury, he urged me to apply for this position. My unique combination of semi-professional expertise in the field of real-estate development as well as my academic experience in environmental studies will enable me to make practical and informed recommendations with respect to current issues facing our new administration.

To that extent, I have enclosed a brief outline of my professional and academic experience for your review. Thank you for your consideration and I look forward to the opportunity of working with your new administration.

Very truly yours,

Christine Appel
