Honorable Members of the Common Council

Re: Tax Exemptions for Veterans, Etc.

The ad hoc committee appointed to review tax exemptions for veterans, etc. met on May 5, 1988 at 7:00 P.M. in City Hall. In attendance were committee members Nimmons, Moran and Charles.

Discussion concerning the tax dollars lost due to reevaluation were stated. The number of persons totaled 3,510, as follows: 3,347 veterans, 123 100% Social Security disabled and 40 blind. Due to the increased grand list and the resulting drop of the mill rate, the exempted persons lost thousands of dollars. In fact, the total amount is \$227,074. The total benefit to the 3,510 people on the list of 1986 totaled \$351,435 at the mill rate of .04513. Since the mill rate dropped to a proposed rate of .01597, the loss per thousand dollars is \$29.16.

Mr. Charles made a motion that the sum of \$227,074 be appropriated in the 1988-89 budget for the tax-exempted taxpayers who shall suffer financial losses due to the change in the mill rate. Seconded by Mr. Moran. The motion carried unanimously.

Respectfully submitted,

Re: Request for funds for the Parks and Recreation
Department

The committee appointed to review the request for funds for the Parks and Recreation Department met on May 10, 1988 at 7:00 P.M. in Room 432 in City Hall. In attendance were committee members Bundy and Eriquez. Also attending were Parks and Recreation Director Robert Ryerson and Comptroller Dominic Setaro.

Mr. Ryerson explained that it was necessary to adjust salaries for our playgrounds, lifeguards and summer maintenance staff by 25% to keep the City competitive in order to attract and keep quality people in those positions. Because of this his program staffing fund account was depleted. Therefore, it became necessary for Mr. Ryerson to request additional funding in the amount of \$22,000.

After satisfying the committee as to the exigency of this situation and explaining that the people we hire are full time, competent and experienced personnel who will work throughout the entire summer Mr. Ryerson was excused from the meeting. Mr. Setaro certified the availability of funds which will be deducted from the City's contingency account.

Mr. Eriquez made a motion to approve the request and grant the necessary funding. The motion was seconded by Mr. Bundy. Motion carried unanimously.

Respectfully submitted,

Danbury Common Council
Ad-Hoc Education Budget Committee
Majority Report

The Education Budget Committee met on March 9, 21, 28, April 18, 26 and May 4, 1988 in City Hall to review the budget for the Danbury School System for fiscal year 1988-89. In attendance were committee members Nimmons, Chrm., Regan, Renz, Eriquez, and Flanagan; Sup. of Schools Anthony Singe, Mr. Skowronski of the school dept., John Pepe, Chrm. of the Board of Education, and various members of the public and council-members ex-officio.

The committee reviewed the Board of Education's request for \$49,801,228. and Mayor Sauer's recommendation for \$46,846,543 for the next fiscal year. In successive meetings the committee reviewed the personnel, contractual, supply, and other parts of the proposed budget. In addition, much time was spent on a review and discussion of the cost for medical insurance for the school system's employees for the coming year. Mr. Setaro, City Comptroller and Mr. Skowronski met on the insurance issue and shared their various findings with the committee on May 4.

The main discussion centered around two issues: the cost to maintain current personnel and programs and meet new mandated programs and increased elementary enrollment, and the cost for a new medical insurance package. There is a fundamental disagreement between what the Board of Education believes it needs to meet its basic mission and what the mayor has proposed to meet and make some improvements in the current program. The mayor's proposal did not include funds for increased insurance costs but was based on the premise that there would be no increase or a decrease in that section of the budget. The Board of Education did receive bids on its insurance package which were reviewed by Mssrs. Setaro and Skowronski and the committee.

While there was not agreement on just what the cost for insurance would be the range for the increased cost was from \$1 million \$1.3 million over this years package. There was much discussion about the best course to follow in this situation.

Mr. Nimmons moved to recommend to the Common Council a 7% increase over last years school budget or \$46,239,001. Seconded by Mr. Renz. Motion failed 3 to 2 with Mssrs. Eriquez, Regan, and Flanagan opposed.

Mr. Regan then moved to recommend the mayor's proposed figure of \$46,846,543. Motion failed for lack of a second.

Mr. Flanagan then moved to recommend to the common council an education budget of \$ 47, 383, 867. an addition to the mayor's proposal of \$537,324., a figure which is exactly halfway between the mayor's proposal and what the board of education argues is what they need to maintain their current personnel and programs. Seconded by Mr. Eriquez. Motion carried with Mssrs. Flanagan, Eriquez, and Regan in favor and Mssrs. Nimmons and Renz opposed.

There being no other business before the committee, meeting adjourned.
