JAMES E. DYER
MAYOR

April 7, 1980

Honorable Members of the Common Council
City of Danbury
Danbury, Connecticut

Dear Council Members:

In accordance with the City Charter, I am pleased to submit the Mayor's Budget for the fiscal year 1980-81.

Many factors contributed to the proposal before you. We have experienced unprecedented inflation, and reductions in state and federal monies to our city. We have had an unwise dependence on C.F.T.A. personnel in certain city departments, as well as unmet obligations from the previous administration. We have settled old labor agreements, and have recognized the need for a capital budget to begin a program to protect our investment in public properties. We must balance this with the recognition of the demands we are placing on our limited resources.

We have managed the affairs of the City carefully and prudently during the past five months. The areas identified in this budget are ones of priority. It is imperative to address those areas in order to put this City on sound footings for the future. We cannot move forward without looking realistically at where we stand today. We have assessed our needs, we now must fulfill them.

The synopsis of the budget is as follows:

Budget requests from departments, boards, and agencies totaled \$50,021,282.00. I have reduced these requests by \$5,523,784.00 to \$44,497,498.00.

The amount required to be raised by levy of taxes, after consideration of uncollectable taxes, subtraction of federal and state revenues, fees and payments to city agencies, and unappropriated fund balances is \$32,104,574.00. These figures represent an increase of 5.33 mills from 30.80 to a rate of 36.13 mills.

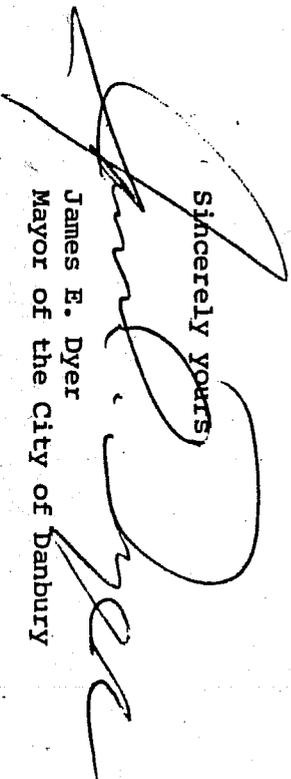

I am transmitting this Budget to you with advance commendation for the work you will perform, and the hours you will spend in review and deliberation of my proposals.

Common Council

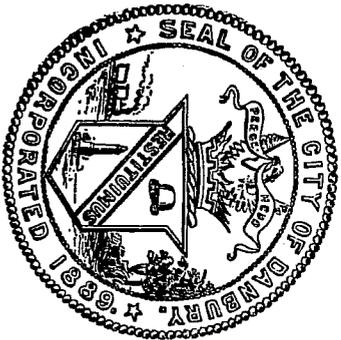

I also wish to acknowledge the work of our department heads, city employees, and volunteers to our boards and commissions for the time they have spent preparing their proposals. Finally, I wish to thank the citizens of Danbury for their investment in our community and their devotion to improving our City.

Sincerely yours,
