(Creation of the Charles Ives Authority for the Performing Arts)

Mr. Cutsumpas moved to receive the report and adopt the committee's recommendation and to refer this to the next scheduled council meeting. Seconded by Mr. Rotello.

Discussion followed with questions to Dena Diorio, Director of Finance and Personnel; Mayor Boughton; Dr. James Schmotter, President of WCSU; and Laszlo L. Pinter, Deputy Corporation Counsel, on the following issues:

Financial obligations of present Authority; unsecured loan – who is responsible to repay it; lease term on land; future fund raising; City or WCSU monetary assistance if Authority runs into future trouble; bonding (default) issues for new Authority; projected revenues for next 5 years; what are the roles of the City and WCSU; who owns the property; how much land is there; is there authority for the old Authority to dissolve; legal responsibility for existing debt; capital improvement plans; City police or private security; can an outside entity take over management;

Further comments from Mayor Boughton and Dr. Schmotter on the opportunity this partnership will bring; to expand the venue at the park; elevate cultural life in the City and at WCSU; still needs to be private fund raising which the 5 year lease agreement will help; this is a public partnership; and broader use of the facilities.

Mrs. Basso read the following report:

**AD HOC REPORT
Briar Ridge Road – Rename & Renumber**

Hon. Mark D. Boughton, Mayor
Common Council Members

January 18, 2007

Chairwoman Pauline Basso called the meeting to order at 6:15 p.m. Committee members are Mary Teicholz, who is presently in the hospital, and Paul Rotello. The charge of this committee is to review a proposal for a name change and re-numbering issue for Briar Ridge Road. In attendance were Laszlo Pinter, Deputy Corporation Counsel, Ben Chianese, as petitioner and ex-officio, Robert Riley ex-officio. There is a positive 8-24 Planning Report to re-name and re-number the road but the Planning Commission does not support connecting the two road sections.

Ben Chianese gave some of the reasons he is asking for this name change. Deliveries are a problem and emergency vehicles (911) have trouble finding the houses since there is a gap between the roads. If you get on the wrong road it takes about 15 – 20 minutes to get around to the right road. One side of the longer end of the road is in Danbury and the other side is in Ridgefield. This is the older part of the road. The north end of the road is all in Danbury.

Discussion followed about picking a new name for the north part of the road to send to the Planning Department with a request for a survey for a name change and re-numbering.

Les Pinter said the request before the committee is to re-name and re-number the road. The City can only make changes to City of Danbury roads – may be a problem with one half of the road in Ridgefield as far as the re-numbering and re-naming.

Mr. Rotello said we could hold off on the re-numbering for now.

Mr. Rotello moved to send this back to Planning to send out a survey to the property owners along what we will call, for the purpose of his meeting, the north end of Briar Ridge – both ends of Briar Ridge as it impacts everybody, with the proposed change to be exclusive to the north end of the present Briar Ridge changed to Mountain Laurel Road. Survey by Planning to query the neighbors about a proposed name change to Mountain Laurel Road for the north end of the present Briar Ridge. We will hold off on the re-numbering. Seconded by Mrs. Basso. Motion passed unanimously.

Mr. Rotello made a motion to adjourn at 6:35 p.m., seconded by Mrs. Basso. Motion passed unanimously.

Respectfully submitted,

Pauline Basso, Chairman

Paul Rotello

Mary Teicholz

Mr. Rotello moved to receive the report and accept the recommendation with the name change to Bramble Ridge Road and to send to the Planning Department for a survey. Seconded by Mrs. Basso. Motion unanimously passed.
