**Danbury City Council**

August 30, 2010

The Hon. Joseph Cavo, President  
Danbury City Council  
155 Deer Hill Ave.,  
Danbury, CT 06810

Re: Lee Farm Assessment Study

Dear President Cavo and City Council Members:

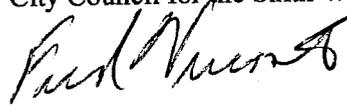

With the release of the Army Corp. of Engineers' Lee Farm Environmental Assessment report we ask that the following City's departments undertake a review of the suitability of such a project and within two weeks submit a report of their findings to the council.

Planning Director - Dennis I. Elpern  
Public Works Director - Antonio Iadarola  
City's Environment Inspector - Daniel Baroody  
City's Engineer - Farid Khouri  
City's Traffic Engineer - Abdul Mohamed

We ask this due to the many technical components referenced within the Army's document, as these reports from city departments will assist the public in their review of the assessments

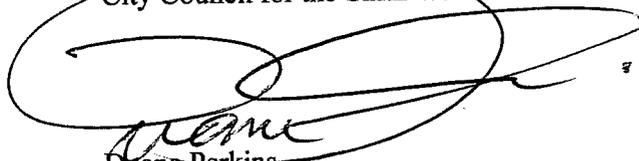

Thank you for your considerations,

  
Paul Retello,  
City Council for the Sixth Ward

  
Fred Visconti,  
Minority Legislative Leader  
City Council for the Fifth Ward

  
Thomas Saadi,  
Minority Leader  
City Council for the Fourth Ward

  
Benjamin Chianese,  
City Council for the Sixth Ward

  
Duane Perkins,  
City Council for the Fifth Ward

  
Peter Nero,  
City Council for the Fourth Ward
