Re: Donation from Danbury Health Systems

Dear Mayor Boughton and Council Members:

The Danbury Recreation department has received a Defibrillator from Danbury Health Systems, Emergency Medical Services. The AED has a value of \$2,500.00. This unit will be located at Candlewood Town Park during the summer months and at Hatter's Park the remainder of our spring and fall seasons. This is part of an overall program sponsored by The Danbury Hospital Development Fund in which units will be distributed throughout the Danbury area. We are fortunate to have this valuable life saving device for the above mentioned parks.

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis
Director of Recreation

Director

November 10, 2010

Dear Nick Kaplanis;

Congratulations! The Danbury Hospital Development Fund is pleased to provide you with a defibrillator (s) to be used for the following purpose at the following location:

Serial#: B10G-05848

Purpose: Public access defibrillation

Location: City of Danbury Parks & Recreation 7 E Hayestown Rd, Danbury, CT

The defibrillator is a gift, but you agree to the following terms and conditions:

- It will be kept in a visible and readily accessible location
- At least one employee will be on the premises during staffed business hours who is trained in cardiopulmonary resuscitation and the use of an automatic external defibrillator in accordance with the standards set forth by the American Red Cross or the American Heart Association
- You will maintain and test the automatic external defibrillator in accordance with the manufacturer's guidelines

Please contact Raquel Rodriguez, Administrative Assistant Emergency Medical Services at 203-739-4916 to arrange for pick-up of defibrillator and storage case. At the time of distribution, an executed copy of this agreement must be presented and filed with our office.

Very truly yours,

Matthew Cassavechia EMT-P
Director of Emergency Medical Services
