Re: Donation from Danbury Athletic Youth Organization
And Silvestri Fencing Company

Dear Mayor Boughton and Council Members:

The Parks and Recreation Department has received a donation from Danbury Athletic Youth Organization to go towards work at the King Street School Complex. This money will be used to purchase new benches for all three fields and for clay required for infield improvements. The infield work will be done by Parks and Highway Department personnel and the benches will be installed by volunteers from DAYO. Total donation value \$3650.00

The Silvestri Fencing Company will donate labor and materials to repair backstops, existing fencing as well as installing a new fence which borders the middle playing field and the driveway entrance. Donation value \$2500.00

I request that these generous donations be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis
Director of Recreation
