25 April 2011

Honorable Mayor Boughton

Members of the City Council

I respectfully ask that you consider and accept the donation of three Automatic External Defibrillators. These life saving devices have been given to the department by the Danbury Hospital Development Fund. There is no monetary cost to the city in the form of matching funds. The approximate value of these three AEDs is \$6,000. These AEDs will be assigned to the Fire Marshals of the Office of Community Risk Reduction. They will carry these devices in their vehicles and be available in the many venues they attend.

Should you have any questions, please contact me.

Respectfully,

Geoffrey Herald
