Re: Donation from the Danbury Cricket Club

Dear Mayor Boughton and Council Members:

The Danbury Cricket Club would like to erect a practice cage in the back of Broadview Middle School Field. Placing this cage on the school grounds will allow for members of the club to practice without having to use the grass area of the complex. This will also give more people an opportunity to learn the game of cricket. A contractor will install the fencing and the club will build the pitch inside the cage. The estimated value of this donation is \$4000.00.

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis  
Director of Recreation
