November 29, 2011

Honorable Members of the City Council
City of Danbury, Connecticut

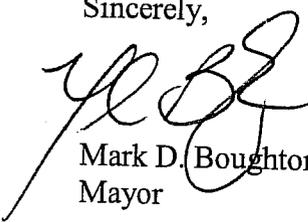

Dear City Council Members:

I am expecting that the Danbury Public Schools 2020 Task Force will soon present a plan regarding the future needs of our school facilities. The Task Force is charged with studying the Danbury Public Schools *Five Year Plan*, and identifying strategies for both long and short term facility management, space analysis, and capital improvement planning.

Since the 2020 Plan will include recommendations for space and utilization needs of the Danbury Public School system, I am respectfully requesting the appointment of a committee to review the recommendations and funding needs of the plan.

We have brought together a fine group of talent and expertise for this challenging evaluation and I am confident the committee will deliver a balanced assessment that honors the financial challenges of Danbury's taxpayers' ability to fund capital improvements, and new education programs.

Sincerely,

Mark D. Boughton
Mayor
