Re: Sale of West Side 13 acre parcel
Request for Executive Session
May Agenda Add-On Item

Dear Council members:

As you will remember, at the March meeting of this Council, you took certain conditional actions regarding this site, including declaring this site surplus property.

In this regard, and to provide you with updated information regarding the potential sale of a piece of City property, I am asking that you add this discussion item onto the agenda and that it then be referred to executive session at the end of the meeting in order to discuss the "lease, sale or purchase" of City property, as permitted by State law.

Sincerely,

Mark D. Boughton, Mayor
