**Re: Use of Public Grounds Ordinance**

Dear Council Members:

My office and the Office of the Corporation Counsel have been working on updating the ordinance language regarding the use of public parks, streets, sidewalks and other public grounds. Please appoint an ad hoc committee for the consideration of potential ordinance amendments. The draft will be available to the committee as of its first meeting.

Please contact my office with any concerns or questions.

Sincerely,

  
Mark D. Boughton, Mayor
