Re: Donation from Danbury Youth Baseball

Dear Mayor Boughton and Council Members:

The Recreation Department has received a request from the Danbury Youth Baseball League to purchase and install another batting cage in the Rogers Park Baseball Complex. The new cage will be located next to the existing cage between the Rogers Park Field and Field # 4 and will be similar in size and design to current unit. Donation value \$2700.00

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis  
Director of Recreation
