Re: Host Community Benefit Agreement  
307 White Street  
Danbury-Winters

Dear Council Members:

As you recall, this Agreement, together with an amended Danbury Solid Waste and Recycling Authority ordinance, was submitted to you for consideration by my letter of March 26, 2013. You reviewed the matter(s) in public hearing as well as a committee of the whole, after which the item was tabled at your August 6, 2013 regular meeting. This was done in the interest of attempting to obtain a few modifications to the Agreement that are now pending.

Kindly refer this matter to an ad hoc committee for review of the (new) proposal and the ordinance as submitted and the proposed member appointments, as it was your desire to have all components considered together and jointly. We will have the packet including the modified Host Community Benefit Agreement to you by the time of or at the ad hoc meeting.

Please contact my office with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to be "M. Boughton".

Mark D. Boughton
