Re: Amendment to Resolution
School Construction Projects

Dear Mayor Boughton and City Council Members:

The State of Connecticut informed us on October 7, 2013 that the previously adopted resolution by the City needs to be modified to include the actual school names that are currently undergoing construction. The State would like us to identify these schools individually as follows:

1. Park Avenue School
2. Mill Ridge Middle School
3. Shelter Rock School
4. Stadley Rough Elementary School

I am requesting from you to kindly approve the amended resolution as enclosed. Please note that the State has requested that all paperwork be returned to them by November 15, 2013, otherwise we will jeopardize funding of the projects. In review of the previous resolution, we noticed that a member of the Building Committee, Mr. Ed Arum, is no longer with the Board of Education. We are requesting to have Mr. Joe Martino fill this position on the Building Committee as noted in the amended resolution.

We appreciate your understanding for this required formality and that you approve it through your consent calendar. If you have any questions, please feel free to contact me.

Sincerely,

Antonio Iadarola, P.E.
