RE: Donation to the Danbury Housing Partnership

The Danbury Housing Partnership received a donation from Wal-Mart Department Store in the amount of one thousand dollars (\$1000.00). This money is to be used for any purchases made for the annual event Project Homeless Connect sponsored in December at Western Connecticut State University.

Project Homeless Connect is an annual event for the City of Danbury in which several social and support service agencies and organizations come together for a one day event to assist those who are homeless or at risk of becoming homeless in our community.

The Danbury Housing Partnership and the committee for Project Homeless Connect appreciates the continual support that Wal-Mart has provided for the City of Danbury over several years.

Thank you for your time and attention to this matter.
