Mayor Mark D Boughton

Honorable Members of the City Council

City of Danbury

155 Deer Hill Avenue

Dear Mayor Boughton & Honorable Members of the City Council,

The last snow storm that we had recently we lost our 1997 Dump Truck due to engine failure.

In checking with the Federal Aviation Administration Airport Division in Burlington, Mass it was determined that we are eligible for a grant to purchase a new snow removal vehicle.

I am asking that the attached City resolution be approved and the Airports share of the grant be taken out of our operating budget at the appropriate time. I estimate the Airports share to be \$4,125.00, the State of Ct share to be \$12,375.00 and the FAA share to be \$148,500.00.

The total amount for the resolution is \$165,000.00 but until it is put out to bid we will not have an exact dollar amount for the FAA and State grant.

Sincerely,

Paul D Estefan

Airport Administrator
