Re: Old Ridgebury Road/13 Acre Parcel  
Request for Discussions

Dear Council Members:

You will recall that this parcel of open land along Old Ridgebury Road owned by the City of Danbury has been the subject of past interest, both in terms of its sale, lease or other disposition to interested parties or individuals and, ultimately, for its subsequent use for approved purposes consistent with the area as zoned.

I ask that you authorize an ad hoc committee to look at an offer and proposal we have recently received and that I feel is worthy of your present review and consideration. I will provide you with information and detail at that time.

Thank you in advance for furthering this request.

Sincerely,

Mark D. Boughton,  
Mayor
