**RE: Danbury War Memorial request**

Dear Council Members:

The Danbury War Memorial's Executive Director has met with me and asked for your consideration in waiving his facility's water and sewer usage fees.

The request is being made largely due to the War Memorial's value to local veterans and the community in general.

I respectfully request that an Ad Hoc Committee be established to consider this request.

Sincerely,

Mark D. Boughton  
Mayor

Re: Funding – Water & Sewer Usage Charges

Dear City Council:

On March 6, 2014, I and a member of our Board of Managers met with Mayor Boughton to discuss funding concerns in regards to the Danbury War Memorial. As a result of that meeting we are respectfully requesting that the City Council review and address our funding concerns, and consider waiving the water and sewer usage fees currently being charged to the facility. This request is being made largely due to the value of this facility to the local veterans and the community in general.

We thank you in advance for your consideration.

Sincerely,

Daniel Hayes  
Executive Director
