Re: Donation from the Danbury Westerners

Dear Mayor Boughton and Council Members:

The City of Danbury has received a donation from The Danbury Westerners Baseball Team in the amount of \$2,900.00 for an infield tarp. This will serve as a cover for the Rogers Park infield which will help to keep the field playable after periods of heavy rain and bad weather. In addition there is a roller which will be used to place a remove tarp from the infield. The tarp will be stored at the complex.

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,
