Hon. Members of the City Council
155 Deer Hill Avenue
Danbury, CT 06810

Re: Comanda Property at 357 Main Street
Proposed Purchase

Dear Council:

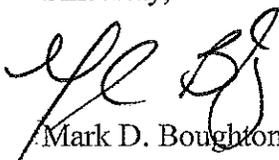

In accordance with your previous authority, we have successfully negotiated a proposed purchase and sale agreement whereby the City would take ownership and possession of this unoccupied property for a negotiated value. This property sits at an ideal location on Main Street adjacent to our Police headquarters, central to the downtown area.

Subject to your approval of the purchase under such terms and conditions as established, and upon transaction, we will propose that the structure be razed, then developed and dedicated as a memorial pocket park in honor of fallen City of Danbury public safety and service officials who have honorably served our City during its history.

Once contracts have been finalized, the particulars of the transaction price and related details may be publicly disclosed.

I trust that this will meet with your approval. Please contact me should you have any questions.

Sincerely,

Mark D. Boughton,
Mayor

cc Robert J. Yamin, Corporation Counsel
