Re: **Municipal Option to Provide Additional Property Tax exemption
for 100% Disabled veterans**

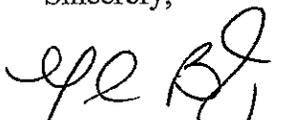

Dear Council Members:

The Connecticut State Legislature has adopted Public Act 13-224 whereby existing exemptions from local property taxes for disabled veterans are augmented. Instead of the statutory exemption being two times the veteran's base exemption, it would, pursuant to this local enabling option, be three times that base exemption amount. The Assessor would be responsible for examining the entitlement to such additional exemption and provide the mechanism for application and processing.

An ordinance for your consideration in the furtherance of this program will be provided to you prior to the convening of the committee that is being asked to look at this proposal.

Please contact this office with any questions regarding this.

Sincerely,

Mark D. Boughton
