RE: Impact Statement  
The Peter & Carmen Lucia Buck Foundation Grant - F/Y 2015/2016

---

Founded in 1999, The Peter and Carmen Lucia Buck Foundation focuses on 7 sectors, one of which directly correlates with the Department of Elderly Services: funding "Danbury Area Projects" specifically for persons age 65 and older. The foundation has again requested that this department apply for funding in the amount of \$95,000; most of which will be used to continue to support the position of activities scheduler/web master, which remains filled by Michelle McNamara. Additional funding will be used for intergenerational programs, a foot health program, as well as support the Aging in Place Planning Committee of the Buck Foundation, of which this writer is now the appointed chairperson. Remaining funding is to be spent on guest speakers, new equipment and supplies for the Elmwood Hall Senior Center as needed. There is no local funding required. The foundation is committed to assisting Danbury seniors "Age in Place" as additional resources are being funneled to other organizations who are also a part of the "Aging in Place Planning Committee." The department is grateful for the invitation to apply for such funds as we anticipate additional census growth due to aging Baby Boomers.
