Re: Donation from the Danbury Youth Soccer Club

Dear Mayor Boughton and Council Members:

The City of Danbury is constructing a new all purpose turf field at the West Side Middle School in Mill Ridge. The new stadium will be a great addition to our park facilities and we look forward to the opening of this facility which is scheduled in mid August. As part of the complex the need for lighting is extremely important in order to maximize the utilization of the field throughout the seasons. The Danbury Youth Soccer Club has offered a donation of \$200,000.00 to the City to help offset the total cost of the lighting system which will be approximately \$250,000.00. The City has agreed to pay the balance of the cost. Adding the lights will enhance this state of the art facility and give the City a venue that will promote activities and showcase Danbury.

I request this generous donation be accepted by the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis
Director of Recreation
