Re: Funding – Water and Sewage Usage Charges

Dear City Council:

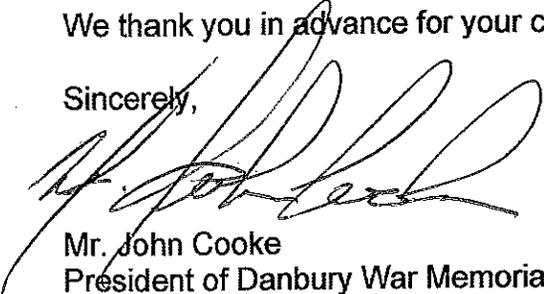

Last year members of the Ad Hoc Committee of Danbury's City Council, Mr. Day-Superintendent of Public Works, Mr. St. Hilaire- Finance Director and members of the Danbury War Memorial met to consider waiving the water and sewage fees for the Danbury War Memorial due largely to the value of this facility to the local veterans and the Danbury community in general.

After a lengthy discussion and answering questions coming from the Ad Hoc Committee members, the members of the Ad hoc committee approved waiving the water and sewage fees to the Danbury War Memorial for the year.

We are asking for your continued support for the Danbury War Memorial and respectfully requesting that the City Council review and address our funding concerns and consider waiving the water and sewage usage fees for this year beginning June 2015 through June 2016.

We thank you in advance for your consideration.

Sincerely,

Mr. John Cooke
President of Danbury War Memorial
