

6/29/16 - Bounce! Trampoline Sports

Trampoline gyms, the most exciting craze in indoor fun, has found a new home in Danbury! When husband and wife/business partners, Rob and Lisa Cannon decided to open up a Bounce! franchise, they knew Danbury would create the perfect opportunity for their exciting business to thrive. Since the grand opening just five short weeks ago, jumpers of all ages have come to experience the fun at Bounce!

The Bounce! Trampoline Sports facility in Danbury is unlike any other. The 20,000 square foot space is full of extreme ninja courses, slam dunk basketball lanes, dodgeball courts, bungee jumps (for just \$5!) and so much more. Quite a few things make your experience at Bounce! special, but one feature you definitely won't find at other trampoline gyms is the use of netting instead of walls. The space is designed to be completely open making it easier for the jumpers to make their way around the course, and allowing parents to keep an eye on their little ones.

When it comes to parental satisfaction, the Cannon's made sure the chaperone experience would be almost as fun as that of the jumpers. In the lounge area, you'll find a wall full of televisions each playing different stations. If you bring your personal smartphone or tablet, you can download an app that allows you to listen to whichever station through your headphones. There is also a mezzanine located in the back of the gym with tables and charging stations, giving parents a good view of their kids and a great space to relax or get some work done on the free Wifi.

Everyone can rejoice when it comes to pricing. Lisa & Rob made it very clear that affordability was a major focus when starting this business. Prices range from \$10 for 30 minutes of open bounce (\$8 for ages 5 and under) to \$25 for two hours (\$20 for ages 5 and under). And the snack bar prices are unbelievably reasonable.

While I generally find a room full of trampolines appealing, what really stands out at Bounce! are the events and activities offered. Jump N' Glow Spectacular, held every Friday and Saturday night from 8-10pm, uses blacklights and rockin' music to get the party started! While that event encompasses jumpers of all ages, Bounce! does specify open times just for your little ones. Mondays, Wednesdays & Fridays from 10:30-12pm is "Toddler Time" where kids ages 5 and under get the whole gym to themselves for \$10 (parents bounce for free).

If you get a chance to check out the space, the blacklight murals (that differ in theme throughout each party room) are a must see! The creativity and detail make a party here seem anything but ordinary and definitely a blast for all ages.

Bounce! doesn't stop here. The future of Bounce! includes a trampoline volleyball court, fitness classes and summer programs. The Cannon's ideas for this experience are limitless and we can't wait to see what they have in store!

**While Danbury has its share of unique and exciting opportunities, the Bounce! motto still could not be more accurate... "You've never seen anything like it!"**

Bounce! is located at 21 Prindle Lane. A schedule of open bounce times can be found on their website: [www.bouncedanbury.com](http://www.bouncedanbury.com)
