Re: Municipal Sister Cities

Last summer I had an opportunity to spend two weeks in Kilarney, Ireland along with Corporate Council Bob and Judge Diane Yamin. We were also very fortunate to have a private visit with United States Ambassador Thomas Foley who recommended that we might explore the possibility of establishing a "Sister City" status with Kilarney. Therefore, I would respectfully request that the Council to establish an ad-hoc committee to explore the possibility of establishing such a compliment to our City as well as their's .

Respectfully submitted,

  
Gregg Seabury
