Re: Acceptance of Donation

Dear Mayor Boughton and Members of the Common Council:

WCI Communities, who is developing the old Union Carbide property, purchased a 100K watt generator in order to operate a large water tank while permanent CL&P power was installed.

WCI has offered to donate this generator and trailer to the Public Utilities Department. The generator and trailer can be used in emergency situations when power is lost.

I am requesting that this generator and trailer be accepted at the next Common Council meeting.

The value of the generator and trailer is approximately \$45,000.

Should you have any questions, please do not hesitate to contact me directly.

Sincerely,

Antonio Iadarola, P.E.
Director of Public Works
