RE: Request to Renumber Sheridan Street

Dear President Cavo and Members of the Common Council:

I am writing on behalf of several residents of Sheridan Street who have requested that the City renumber sections of Sheridan Street. Their request is based on conflicting numbering that exists between various city of Danbury departments and the U.S. Post Office. As a result of the current numbering there are problems with mortgage companies paying taxes on the proper properties. (See attached petition for details.)

Therefore, Councilman John Esposito and I request that the attached petition dated June 10, 2008, be included on the Common Council's July agenda and referred to the Planning Department for a review and report.

We thank you for your attention to this request and please contact me with any questions.

Truly,

Thomas J. Saadi
Democratic Caucus Leader

To Whom It May Concern:

We a group of property owners are signing this letter below to request our properties located at Sheridan Street in Danbury CT 06810 renumbered.

The reason why we are making the stated request is because we are getting our mails delivered to the wrong place and this is creating public safety issues as people go to the wrong number of buildings. Also, some of us are having issues with our Mortgage companies as they are unable to pay our Property taxes as the properties are not numbered properly. It seems like some time ago these properties have been numbered incorrectly as the Post Office has a different number other than the number used to register in City Hall. For example, the property known as 80 Sheridan Street is recognized as 78 Sheridan Street at Post Office. We learned of this issues after we purchased the properties a year or so ago.

Should you have any questions in regards to this matter please contact Jose Quizhpi at 646-285-7801 owner of 80 Sheridan Street.

Thank you for looking into this and for prioritizing to get it fixed as soon as possible.

Best regards,
