Re: Donation from Danbury Youth Baseball, American Pavement Specialists, Arconti Concrete and Chiarella's Home Repairs and Remodeling

Dear Mayor Boughton and Council Members:

The Parks and Recreation Department has received a donation in the amount of \$14,500.00 for improvements to the dugouts on the Mountainville Baseball Field at Rogers Park. The scope of this project will be to reset the benches and grade the area inside the dugouts to divert water away from the dugouts and playing field. In addition, a continuation of the paved walkway will be extended between fields 1 & 3. This walkway as well as the dugouts will make it easier for spectators and players to move around the field complex and avoid the mud and puddles that occur after a heavy rain.

The Danbury Youth Baseball program along with its supporters continually seek ways to make the necessary improvements to make our facilities second to none. I request that this generous donation be accepted at the next meeting of the Common Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis  
Director of Recreation
