Re: Probate Court Budget

Dear Mayor Boughton:

I am writing to respectfully request additional funding in the amount of \$2,100 in the printing and binding line item of my Probate Court Budget. (Line item 104-5324). I had budgeting \$3,500 for printing and binding to cover the laser fiche expenses for this fiscal year. The reason for the additional request is because probate administration billed the cost of the equipment to the Town this year as a one time fee. Secondly, there were higher printing and binding expenses than usual because delays caused two years of recording to be done this year.

As you know, the Connecticut General Statutes require the towns to provide for expenses, such as printing and binding (C.G.S. Section 45a-8) and I truly appreciate the support that the Probate Court receives from the City of Danbury. Please note that for many years we have had a line item of \$5,000 in printing and binding, so the amount we are requesting is not much higher than past years. Please call with any questions. Thank you.

Very truly yours,

Dianne E. Yamin, Judge
