Re: Donation to the Fire Department,

Dear Mayor Boughton and Members of the Common Council,

The Fire Department has received the following donation.

1. 10 x 10 Protective Canopy - Danbury Home Depot

This donation was made to assist our department in fire ground operations and public education presentations. The protective canopy has a value of approximately \$160.00

I would ask that this donation be accepted at the July meeting of the Common Council.

If you require any additional information please do not hesitate to contact me directly.

Respectfully submitted,

Peter J. Sicienski
