Honorable Mayor Mark Boughton  
Members of the Common Council  
City of Danbury  
City Hall  
Danbury, CT 06810

Dear Friends:

We, the undersigned, homeowners at Candleview Ridge, Danbury, Connecticut would like the City of Danbury to extend City Sewers to Candleview Ridge.

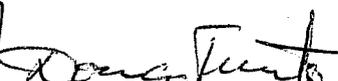

The benefits of City Sewers would extend far beyond Candleview Ridge as it would aid in keeping Candlewood Lake free from pollution from septic systems in the area and therefore aid other areas in the vicinity. Candlewood Lake also affects other Towns in this part of the State and perhaps the State of Connecticut would be pleased to assist the City of Danbury in this endeavor.

We would appreciate your looking into this matter as promptly as possible and keep us informed of its progress.

If there is any information that you desire, please communicate with any of the undersigned and we will try to get the information to you.

Thank you for your kind attention.

Sincerely,
