**CERTIFICATION**

SUBJECT: Overtime Funds for Zoning Enforcement

As you know, the City has experienced a significant increase in illegal apartments and illegal activity on residential properties. The resources required to enforce these zoning violations need to be augmented to allow zoning officials to effectively target this illegal activity. New enforcement initiatives are being implemented that will require Zoning Enforcement Officers to work evenings and weekends when these zoning violations are most evident.

I am recommending that the Common Council approve an appropriation of \$10,000 to fund overtime expenses associated with this enforcement effort.

The funds should be appropriated to line item 1220.5030 – Overtime.

I hereby certify the availability of these funds to be transferred from Revenue Line Item, Sale of Land, 1000.4609. The City received a check in the amount of \$125,000 from WCI/Spectrum as part of the agreement the City recently signed with the Woodland Group. These funds are sufficient to cover the appropriation.

Please feel free to contact me should you require any additional information.

Thank you

C: Dennis Elpern, Director of Planning & Zoning
