Subject: Attached Resolution, City of Danbury, State of Connecticut

This is a request to have the State of Connecticut Department of Education Youth Service Bureau resolution put on the consent calendar for your meeting to be held in June of 2009.

As stated it will not exceed 70 thousand dollars of the state money. As the city's Youth Service Bureau we will use the city allocation of 2009-2010 for the local match.

In this year of economic crisis, it will help DYS a great deal, in getting our funds for this program, if we get approval of this document. We will then be able to submit, in a timely, fashion, the document with our application. This will, at least, help to expedite the process. I have attached a letter dated June 9, 2008, explaining what David requested last year. This and/or prior review by David of the SDE approved contract application, including budget, would certainly be submitted, if so requested, prior to submittal of one or both. As the City of Danbury YSB since 1978, thank you for your continued support from the City of Danbury.

If you have any questions please contact James Walsh at (203) 748-2936.
