## Impact Statement

11/1/2008 through 10/31/2009

The City of Danbury relies on the funding from the Emergency Food and Shelter Program through the FEMA / United Way of Western Connecticut, Local Board – Northern Fairfield County to fund direct expenses associated with housing a client (i.e., supplies, linens, etc.), transportation costs and daily per diem schedule. The Program provided a revised grant approved by Common Council in the amount of \$6,000 (Phase 27).

Our portion of Phase 27 funding was determined by the local FEMA / United Way Executive Committee. The request was increased from total grant award of \$6,000 to a total of \$7,073.00 for the existing grant year.

The United way board received additional Federal funds in the amount of \$37,683.00 through the American Recovery and Reinvestment Act (ARRA) which allowed for the local distributions to be increased for this year for the participants in the local FEMA region. There is no matching City of Danbury funds required for the use and acceptance of these grant funds.

It is also critical that our State Legislative Delegation be mindful of the role the City of Danbury plays in assisting homeless individuals in our community. It is critical that we continue to seek continued and increased funding to support our efforts.
