Honorable Members of the Common Council  
City of Danbury, Connecticut

Dear Members of the Common Council:

I have been approached by the Portuguese Cultural Center, asking if the City could donate the old playground equipment from Roberts Avenue School to their organization.

The current approximate value of this playground equipment is between \$2,000-3,000.00, and I respectfully ask your approval of this donation.

The Portuguese Cultural Center will be responsible for the removal and transportation of the equipment to their facility located on Sand Pit Road.

Thank you for your consideration of this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark D. Boughton", written over a circular stamp or mark.
