Dear Chief Baker,

Danbury Hospital is pleased to support the Danbury Police Department in its efforts to keep the community safe. Our mission is to improve the health and wellbeing of our community in partnership with those that we serve. To this end, we would like to donate a defibrillator and storage carrier, valued at approximately \$1,500, for installation in your new police station. This lifesaving piece of equipment will help to improve the health of the members of the Danbury Police Department and community members who visit the facility.

If this offer is approved at your January Common Council Meeting, please contact Matt Cassavecchia, Director of Emergency Medical Services, at (203) 739-7493 to discuss the logistics of making this equipment operational in the Police Department.
