Members of the Common Council
City Hall
155 Deer Hill Avenue
Danbury, Connecticut 06810

Dear Council Members:

I have been approached by a constituent who has concerns related to the public notification process associated with requests for City sewer extension projects.

Accordingly, I am requesting that the Common Council convene an ad hoc committee to review specifically the documentation and information provided and/or made available to affected residents prior to their voting on such proposals.

Respectfully,

Joel B. Urice
