Danbury Common Council
City of Danbury
155 Deer Hill Avenue
Danbury, CT 06810

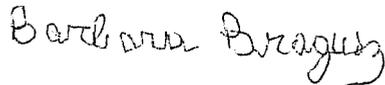

Dear Common Council Members:

The Blind Brook Neighborhood Association is pleased to contribute/donate \$5,000 to the City of Danbury for the purchase of equipment for the new Blind Brook Playground on William Street. Our group has advocated for this playground for several years and we are excited to see this project nearing completion.

The Blind Brook Playground is a fine example of successful community partnerships. The City of Danbury purchased the property for \$35,000 and allocated an additional \$35,000 from Community Development Block Grant funds to complete the project. Our donation of \$5,000 was made possible through a generous grant from the Union Savings Bank Foundation for the playground equipment.

Thank you for your continued support of the Blind Brook Neighborhood Association.

Sincerely,

Barbara Braguez
President
