Common Council
City of Danbury
155 Deer Hill Ave.
Danbury CT., 06810

Dear Sirs:

I am requesting that I be granted a right of way across a tiny portion of the Lattins Cove area for the purpose of installing a driveway.

My present driveway is all but useless. It is too steep to park cars on and cannot be plowed. This forces me to park our vehicles on the street at the end of Cedar Drive. As a result, I block both school buses and city snow plows from turning around, and I must be available to move the vehicles as necessary.

If you would be kind enough to grant me a right of way, all the aforementioned problems will be eliminated.

I am available to meet with any representative of the council and can be reached at the above address or at my phone number 730-0791.

Thank you for your cooperation.

Very Truly Yours,

Donald Gaynor
